**Martes once la primera resistencia (Spanish Edition)** Ignacio Vidaurrázaga Manríquez

Una investigación periodística que reconstruye las primeras veinticuatro horas del golpe militar en diversos lugares de Santiago de Chile, a partir de los testimonios de los y las sobrevivientes que resistieron con armas y las confesiones de los militares que actuaron ese día. Sergio Parrau mira hacia arriba y ve aproximarse el helicóptero. En ese momento, un pequeño grupo descarga sus ametralladoras y fusiles contra la aeronave desde la copa de agua, que está a unos cuarenta metros de altura. Sergio se encuentra abajo, en el suelo, y también dispara: Cada uno disparaba individualmente, no había un orden. "Como éramos atacados, me refugié detrás de un poste y desde ahí disparé. Sentía pasar las balas cerca. Era un combate, no un juego de niños. Disparábamos tiro a tiro porque había que cuidar las municiones. Uno no sabía qué había por delante, si íbamos a estar todo el día o parar."
