Navigators have only two questions: “Where am I?” and “Where do I go now?”. This book shows the simplest way for sailors to answer these questions.

It starts from scratch, uses no jargon and features graphics instead of words wherever possible. Areas covered include charts, giving a position, tides, course to steer, passage planning, and much more.

On-board navigation is fun, keeps you safe and speeds you to your destination. Whether you are a beginner, going on a navigation course, or simply want to refresh your knowledge and skills, this is an essential read for all those needing to navigate on the water. With this book you need never be lost again!
