Family weddings can be hell...

...and, marooned in Italy for her cousin's nuptials, Ailsa can be forgiven for thinking that this one is worse than most. With the bride and groom at loggerheads and the guests in uproar, it is a million miles away from the rest and relaxation she'd been hoping for.

And then suddenly, in the middle of the mayhem, she comes face-to-face with Nick, the man she walked out on just a few months earlier.

How can Ailsa help get the wedding back on track when she and Nick can't stop arguing? But if they do, she might remember why she fell in love with him in the first place - and then there really would be trouble.
