## **Sodomy: A History of a Christian Biblical Myth (BibleWorld)** Michael Carden

The biblical narrative of Sodom and Gomorrah has served as an archetypal story of divine antipathy towards same sex love and desire. 'Sodomy' offers a study of the reception of this story in Christian and Jewish traditions from antiquity to the Reformation. The book argues that the homophobic interpretation of Sodom and Gomorrah is a Christian invention which emerged in the first few centuries of the Christian era. The Jewish tradition - in which Sodom and Gomorrah are associated primarily with inhospitality, xenophobia and abuse of the poor - presents a very different picture. The book will be of interest to students and scholars seeking a fresh perspective on biblical approaches to sexuality.
