## **Encyclopedia of Diversity and Social Justice: Two Volumes** Sherwood Thompson

The *Encyclopedia of Diversity and Social Justice* contains over 300 entries alphabetically arranged for straightforward and convenient use by scholars and general readers alike. This reference is a comprehensive and systematic collection of designated entries that describe, in detail, important diversity and social justice themes. Thompson, assisted by a network of contributors and consultants, provides a centralized source and convenient way to discover the modern meaning, richness, and significance of diversity and social justice language, while offering a balanced viewpoint.

This book reveals the unique nature of the language of diversity and social justice and makes the connection between how this language influences—negatively and positively—institutions and society. The terms have been carefully chosen in order to present the common usage of words and themes that dominate our daily conversations about these topics.

Entries range from original research to synopses of existing scholarship. These discussions provide alternative views to popular doctrines and philosophical truths, and include many of the most popular terms used in current conversations on the topic, from ageism to xenophobia. This reference covers cultural, social, and political vernacular to offer an historical perspective as well. With contributions from experts in various fields, the entries consist of topics that represent a wider context among a diverse community of people from every walk of life.
