Searching for Proof and Faith: Foreword by Dr. Norman L. Geisler Mr. Richard E. Hasty Jr.

A simple, but compelling narrative story that introduces basic objections to Christianity and the logical, rational answers to help equip Christians to defend their faith in an informed, but kind and respectful manner. This is a perfect book for students that want to know WHY they believe and want to be equipped to answer the nagging questions that both Christians and skeptics often have. Foreword by Dr. Norman Geisler, utilizing books and information from such noted authors as Frank Turek, Josh McDowell and Lee Strobel. Is there an absolute truth? If God is good, why is there evil? Was man created through evolution? Was Jesus the unique Son of God? This book answers these questions and more. A great book for anyone, young and old, who would like a non-academic approach to apologetics (defending the truth of the Gospel). Each chapter also provides a deeper bibliography of both book and online resources for more advanced study.
