Silvermeadow: A Brock and Kolla Mystery (Brock and Kolla Mysteries) Barry Maitland

Two Cases. One location. The first case, a girl gone missing, seems a decidedly local affair. The second, the return of a violent criminal who had fled the country, instantly attracts the interest of Scotland Yard and Detective Inspector David Brock.

When he learns that his longtime nemesis, the amphetamine-juiced killer and thief known as “Upper” North, may have surfaced, Brock assembles his team and summons Detective Sergeant Kathy Kolla. Their manhunt centers on Silvermeadow, the supermall on the outskirts of London where North was spotted. Brock and Kolla camouflage their search for North by taking on the case of the missing girl—a mall employee. They lie in wait, hoping to catch North before he can strike with a new crime. Yet what should they make of rumors of other young girls disappearing from Silvermeadow? Is there a predator on the loose within the apparent safety of a carefully orchestrated aura of order and control? Very quickly, the mall itself—and its colorful cast of characters—becomes key to the dual investigations. This is Maitland at his cunning best.
