David Copperfield (Spanish Edition) Charles Dickens

Este ebook presenta "David Copperfield ", con un sumario dinámico y detallado.

David Copperfield es una novela escrita por Charles Dickens, publicada por entregas en 1849 y como volumen único en 1850.

El huérfano David Copperfield, después de ser maltratado por su padrastro y por sus profesores, es obligado a trabajar, en condiciones infrahumanas, en un almacén de Londres. Sin embargo, su vida mejora considerablemente cuando éste decide escapar e ir en busca de su tía Betsey. Gracias a ella, David podrá ir a una buena escuela y hospedarse en casa de un afable abogado, Mr. Wickfield, cuya hija, Agnes, se convierte en una de sus mejores amigas.

Una vez que finaliza sus estudios, David, abogado en prácticas, conoce a Dora, de quien se enamora apasionadamente y con la que acaba casándose. Pronto, David se dará cuenta de que Dora no era la mujer con la que él quería compartir su vida, y que es infeliz; cuando él está resignado a asumir su error, Dora enferma y muere, no sin antes pedirle en su lecho de muerte a Agnes que se case con David. Finalmente, el deseo de Agnes se cumple, y David y Agnes serán muy felices juntos.

Charles John Huffam Dickens (1812 – 1870) fue un famoso novelista inglés, uno de los más conocidos de la literatura universal, y el principal de la era victoriana. Fue maestro del género narrativo, al que imprimió ciertas dosis de humor e ironía, practicando a la vez una aguda crítica social. En su obra destacan las descripciones de gente y lugares, tanto reales como imaginarios. Utilizó en ocasiones el seudónimo Boz.
