## **Red Scare or Red Menace?: American Communism and Anticommunism in the Cold War Era (American Ways Series)** John Earl Haynes

A reappraisal of American communism and anticommunism in the cold war era, focusing on episodes, personalities, and institutions, and based upon fresh evidence that overturns a great deal of received wisdom. Haynes argues convincingly that after the Second World War the American Communist Party was indeed a serious danger to the American body politic....He has begun the necessary reexamination of a squalid era. ?Ronald Radosh, Times Literary Supplement. American Ways Series.
