In a Different Voice

Carol GILLIGAN

In a Different Voice Carol GILLIGAN

This is the little book that started a revolution, making women's voices heard, in their own right and with their own integrity, for virtually the first time in social scientific theorizing about women. Its impact was immediate and continues to this day, in the academic world and beyond. Translated into sixteen languages, with more than 700,000 copies sold around the world, *In a Different Voice* has inspired new research, new educational initiatives, and political debate—and helped many women and men to see themselves and each other in a different light.
