Excerpt from Nozráni in Egypt and Syria

This Preface has no object beyond that of briefly accounting for the publication of what may perhaps appear a needless addition to similar and better works already before the public.

Of the matter or manner of the book, it is better as well as easier to say nothing. Those who honour the following pages with a perusal, will pronounce a verdict of good, bad, or indifferent, according to their own judgment, without reference to any plea or apology put forth by the author.
