The Twinning Project Robert Lipsyte

Tom is a smart, talented loner with a chip on his shoulder and a big secret: an imaginary twin on another planet. Eddie is Tom's opposite, a friendly, athletic kid who always looks on the good side. Tom worries sometimes: does confiding in Eddie mean he's nuts? The truth is even crazier than that. Eddie and his planet are just as real as Tom and his Earth, but fifty-some years in the past. And the twins are caught up in an alien master plan that might just mean Earth—both Earths—will be destroyed. Switching places and identities, "slipping" between planets and across decades, a desperate escape, and the unraveling of deeper secrets leave Tom and Eddie aware of the danger they're facing and the tools they can use to overcome it.

From reader reviews:

Benjamin Ward:

Book is to be different per grade. Book for children until eventually adult are different content. As we know that book is very important for us. The book The Twinning Project ended up being making you to know about other information and of course you can take more information. It is rather advantages for you. The reserve The Twinning Project is not only giving you a lot more new information but also to be your friend when you truly feel bored. You can spend your own spend time to read your book. Try to make relationship while using book The Twinning Project. You never really feel lose out for everything should you read some books.

Marlene Childs:

As people who live in often the modest era should be change about what going on or data even knowledge to make them keep up with the era that is certainly always change and move ahead. Some of you maybe will probably update themselves by reading through books. It is a good choice for yourself but the problems coming to an individual is you don't know what type you should start with. This The Twinning Project is our recommendation to help you keep up with the world. Why, because book serves what you want and wish in this era.

Donald Cortes:

Reading a book can be one of a lot of exercise that everyone in the world loves. Do you like reading book therefore. There are a lot of reasons why people enjoy it. First reading a guide will give you a lot of new information. When you read a guide you will get new information due to the fact book is one of various ways to share the information as well as their idea. Second, examining a book will make anyone more imaginative. When you reading a book especially tale fantasy book the author will bring one to imagine the story how the characters do it anything. Third, you are able to share your knowledge to other individuals. When you read this The Twinning Project, you can tells your family, friends along with soon about yours e-book. Your knowledge can inspire the mediocre, make them reading a reserve.

Charlene Martinez:

Reading a book to be new life style in this 12 months; every people loves to learn a book. When you learn a book you can get a great deal of benefit. When you read guides, you can improve your knowledge, simply because book has a lot of information into it. The information that you will get depend on what forms of book that you have read. In order to get information about your analysis, you can read education books, but if you want to entertain yourself look for a fiction books, this kind of us novel, comics, as well as soon. The The Twinning Project offer you a new experience in examining a book.
