## JoJo's Bizarre Adventure: Part 3--Stardust Crusaders, Vol. 12 Hirohiko Araki

Around the world, evil spirits are awakening: "Stands," monstrous invisible creatures which give their bearers incredible powers. To save his mother's life, 17-year-old Jotaro Kujo must travel to Cairo, Egypt, where a hundred-year-old vampire waits to destroy his bloodline once and for all... R to L (Japanese Style). **The Claws of Horus** The magic book of Mondatta has shown the future: *Jotaro with a bullet through his head!* Can he escape his fate?! As the heroes race against time to find Dio's secret lair, Iggy, the dog, is the first to discover the location. But Dio's guardian, a hawk with the power of an Egyptian god, will kill anything...and anyone...who threatens his master. It's the ultimate superpowered dog vs. bird battle! An epic horror-action-adventure! Once there was a mighty bloodline of heroes: the Joestars. In the 1880s, Englishman Jonathan Joestar gave his life to defeat Dio, a megalomaniacal vampire. Now, 100 years later, Dio is back, and Jonathan's descendants must travel to Egypt to destroy their ancestral enemy once and for all. On one side: Joseph Joestar and Jotaro Kujo ("JoJo" for short)...a globetrotting martial artist and his delinquent Japanese-English grandson. On the other side: a vampire and an army of murderers possessed by evil spirits, the monstrous "Stands". But Jotaro and Joseph have "Stands" too...and the stage is set for a terrifying battle as the heroes fight their way around the world! Adapted into anime, action figures and video games, *JoJo's Bizarre Adventure* is one of the weirdest, most influential Jump manga ever! (VIZ's version of *JoJo's Bizarre Adventure* starts with volume 13, the most popular part of the generational storyline, skipping most of the story of Jonathan and Joseph.)
