**Land Art** Michael Lailach

**Land of expression: The earth as canvas**

In the mid-60s, artists in the USA and Europe began planning works for sites outside the narrow boundaries of galleries and museums. It began with ephemeral enhancements or traces left in deserted landscapes, in the deserts of America, or in the moors of Scotland. Following this were spectacular earthen sculptures of gigantic proportions, some of which are still in the process of completion today. One distinguishing feature of Land Art is its critical preoccupation with the tradition of sculpture. Sculpture can now be an earthwork excavation, a field of metal poles, a buried hut, a trace in the grass, or even a book. Another of the movement's special characteristics is its emphasis on site-specific, outdoor works intended to lastingly alter our perception of places, and to set new parameters in art production and reception.

Artists included: **Carl Andre, Alice Aycock, Herbert Bayer, Christo & Jeanne Claude, Walter De Maria, Agnes Denes, Jan Dibbets, Hamish Fulton, Andy Goldsworthy, Michael Heizer, Nancy Holt, Peter Hutchinson, Patricia Johanson, Dani Karavan, Richard Long, Mary Miss, Robert Morris, Dennis Oppenheim, Charles Ross, Robert Smithson, Alan Sonfist, James Turrell**

## **About the Series:**

Each book in TASCHEN's Basic Genre Series features:

- a detailed illustrated introduction plus a timeline of the most important political, cultural and social events that took place during that period
- a selection of the most important works of the epoch, each of which is presented on a 2-page spread with a full-page image and with an interpretation of the respective work, plus a portrait and brief biography of the artist
- approximately 100 colour illustrations with explanatory captions

If you would like try to find a new activity here is look different you can read the book. It is really fun in your case. If you enjoy the book that you simply read you can spent all day every day to reading a e-book. The book Land Art it is quite good to read. There are a lot of people that recommended this book. We were holding enjoying reading this book. When you did not have enough space to develop this book you can buy the particular e-book. You can m0ore easily to read this book through your smart phone. The price is not to cover but this book possesses high quality.

#### **Robert Wilkes:**

As a university student exactly feel bored to help reading. If their teacher requested them to go to the library or even make summary for some publication, they are complained. Just small students that has reading's spirit or real their passion. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that reading is not important, boring along with can't see colorful images on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this Land Art can make you experience more interested to read.
