## Love That Dog Sharon Creech

With a fresh and deceptively simple style, acclaimed author Sharon Creech tells a story with enormous heart. Written as a series of free-verse poems from Jack's point of view, *Love That Dog* shows how one boy finds his own voice with the help of a teacher, a writer, a pencil, some yellow paper, and of course, a dog. With classic poetry included in the back matter, this provides the perfect resource for teachers and students alike.

"I guess it does  
look like a poem  
when you see it  
typed up  
like that."

Jack hates poetry. Only girls write it and every time he tries to, his brain feels empty. But his teacher, Ms. Stretchberry, won't stop giving her class poetry assignments -- and Jack can't avoid them. But then something amazing happens. The more he writes, the more he learns he does have something to say. Supports the Common Core State Standards
