Lucy Rose: Working Myself to Pieces and Bits Katy Kelly

I'M LUCY ROSE and here's the thing about friends: I am lucky in them. And here's the thing about that: sometimes they are in need, indeed, especially when one of them buys a plumbing store and needs to diva it up so it can turn into a bakery. That is one job that takes work and costs plenty, and even 72 or more McBees couldn't get that job done by themselves. But between all the stuff you have to do in fourth and my bingo-calling and keeping track of my gigantic vocabulary and trying to keep away from the word thief Ashley and trying to stop the *worst* rumor you ever heard and dreaming up a money-making scheme that doesn't *cost us* money and plus having to build that bakery, I am working myself to pieces and bits. I would say most people would be so beat tired they'd collapse on the spot, but here's what I say to that: I am one busy bee who loves my friends.

From the Hardcover edition.
