My Life and Other Stuff That Went Wrong Tristan Bancks

If you're a fan of Andy Griffiths and Jeff Kinney, *My Life and Other Stuff That Went Wrong* is the book that has been missing in your life.

Is your grandpa super-angry? Has your Nan ever tried to climb Mt Everest? Have you started your own playground freak show? And have you risked your life to save your pet rat from certain destruction?

I have. I'm Tom Weekly and inside the covers of this book you'll find out about all this and learn the secret of my weirdest body part. But I guarantee that won't gross you out anywhere near as much as the story of how Stella Holling, the strangest girl in my class, tricked me into kissing her.
