Shelby Tomlinson has a doting husband, a beautiful daughter, and a baby boy on the way. She's content with her cozy suburban life—until she learns about lies her husband has been telling. With her world crumbling all around her, Shelby doesn't know if her marriage will be able to stand the test set before them.

For years, Jeana Sands has carried a torch for her college sweetheart, Phillip. With each hang-up call she places to Phillip's home, and each time she sees him and his happy little family, her fury increases. Jeana devises a plan to make Phillip pay for pretending to love her, getting her pregnant, and leaving her destitute with a baby to raise.

The skeletons from Phillip Tomlinson's closet literally come out and knock on his front door when the ex-girlfriend and love child he has been keeping a secret meet his wife, Shelby, on the doorstep of their home. Their marriage is rocked to the core. Will their faith keep them together?
