A new legend is born! COTTON FBI is a remake of a world famous cult series with more than one billion copies sold.

EPISODE 8: KILLER APPS.

Four mysterious mass murders. All of them occurring at more or less the same time in New York. The victims: a middle-class family, a wedding party, a school group, and a police station task force. The culprits: people with no previous criminal record. The G-Team is on the case. Agent Cotton has been looking for a common thread and finds an ambiguous lead: Just before every crime, the perpetrators activated the same app on their smartphones. One evening, Cotton and Philippa Decker meet by chance in a restaurant. Both have been stood up by their respective dates, and they decide to make the best of it and have dinner together. Cotton shows his colleague an app that had just installed itself on his smartphone. Decker tries out the app. And then she pulls out her weapon and aims it at Cotton as if in a trance ...

EPISODE 9: DEADLY GAMES.

The star gamer from Korea, Park Dae-Young, arrived in New York to participate in an E-sports competition. The prize money is \$600,000. A few hours after his arrival he is dead; and this despite having had body guards present. Cotton and Decker from the G-Team take over the case. There are certain indications that team members, who came with Park, may be involved in his death. It is suspected that they did so out of jealousy, and that Park's clan had participated in tournaments outside the regular "Counterstrike? gaming schedule, in which huge sums of money were involved. It seems evident that not only Park himself, but also the team members and the management too, had been involved in a betting scam. Something like this goes well only so long as all the members cooperate.

EPISODE 10: PROJECT OMEGA.

Once a year, the president holds a banquet for members of the military, police forces, and the Secret Service who have rendered outstanding service to the nation. This year, Special Agents Jeremiah Cotton and Philippa Decker have been invited for the first time. Cotton feels out of place at the party among all the "big shots.?" But then a slightly older but still quite attractive woman approaches him. Joan Fallon is being blackmailed by a stranger. Not for money, but for the state secrets guarded by her husband - the White House Chief of Staff. Joan has a dark past that not even her husband knows: In her youth, she acted in adult films. And it seems that the videotapes weren't all destroyed. Cotton discusses the problem with Mr. High, the head of the G-Team. A White House scandal and national security are at stake. So Cotton and his attractive partner Philippa start an undercover investigation into New York's porn scene ...
