Tamanaha Brian

En torno al Estado de derecho. Historia, política y teoría (Spanish Edition) Tamanaha Brian

El Estado de derecho es hoy el ideal político más importante, pero hay mucha confusión sobre su significado y su funcionamiento. Este libro explora la historia, la política y la teoría del ideal del Estado de derecho, empezando por las ideas griegas y romanas clásicas, revisa en detalle las contribuciones medievales y muestra el papel que cumple en la teoría y en los sistemas políticos liberales. El autor resume las preocupaciones de los conservadores occidentales por el declive del Estado de derecho y señala algunas razones por las cuales la izquierda radical ha promovido ese declive. Luego presenta dos versiones teóricas del Estado de derecho y examina sus fortalezas y debilidades. El libro también analiza el Estado de derecho a nivel global y concluye respondiendo la pregunta de si es un bien humano universal. Brian Z. Tamanaha es William Gardiner Hammond Professor of Law de la Washington University Law School de St. Louis, Missouri. Ha escrito libros laureados sobre teoría jurídica, y ha publicado numerosos artículos en prestigiosas revistas. Es Editor Asociado de la Law and Society Review.
