The PMP exam is a rigorous multiple-choice examination designed to objectively assess and measure your ability to apply project management knowledge. It consists of 200 questions, and you are only given 4 hours to successfully complete the exam, so it is important that you have a great study guide to help you pass the exam the first time around. The **PMP PMBOK4 Cert Kit**, a Video, Flash Card and Quick Reference Preparation Package, is the perfect late-stage tool to help professionals and students gain their certification. It includes three products to help them prepare, including: " PMP Video Mentor " PMP Cert Flash Cards Online " PMP Quick Reference The Video Mentor incorporates audio instructions, step-by-step screencasts, and even animations: everything you need to fully understand the tasks you need to learn. The Cert Flash Cards Online service provides drilling on the exam topics, and can be accessed either via an internet-connected PC or mobile device. The Quick Reference, included electronically as well as printed, provides topical review for concept retention and preparation right up to exam time. While the quick reference will be available separately in ebook form (ISBN 0789744872), this is the only way it will be available in printed form. There's never been a more efficient, cost-effective PMP training kit.

Printed and electronic versions of the PMP Quick Reference, a late stage review tool
