The Providence of God: Comprising Heart-Searching Sermons on Vital Themes Concerning God and His Overruling Providence Among Men B. H. Carroll

The present volume is the twenty-eighth book of B. H. Carroll which I have edited and published or caused to be published. It carries a unique distinction in the fact that the publication of the book was sponsored by a noble Jewish friend of mine, Mr. Fred F. Florence, President of the Republic National Bank of Dallas. This is the third Carroll book this good friend has sponsored for me, and I make grateful acknowledgment of his generous help as I send this book out upon its mission of love and blessing. J. B.
