Feeling neglected and disillusioned, she has an affair that leads to the end of their ten-year marriage. She's not quite ready to let John go, though, and will do everything in her power to win him back when she discovers that he has become involved with Alex.

As the triangle between John, Alex, and Lorraine becomes more complicated, dangerous drug lord Xavier Rivera is closing in on his target. A mole in John's department has revealed Alex's location, and Rivera sends an associate to take care of her.
