Horace's Hope: What Works for the American High School

Theodore R.Sizer

Horace's Hope: What Works for the American High School Theodore R. Sizer

From America's "most prominent school reformer" (LOS ANGELES TIMES) comes a stirring personal meditation on what works-and what doesn't-in our high schools today. Revisiting America's classrooms, Sizer assesses the changes over the past decade and a half - from school choice to interdisciplinary learning - that give us reason to be hopeful. Tracy Kidder has called this "an eloquent book."
