Women Out of Bounds Jane Robinson

From Artemisia of Halicarnassus—a fifth century (b.c.) merchant, pirate, and naval commander—to the freelance World War I correspondent Lady Sarah Wilson, this engaging and entertaining social history chronicles the uncommon achievements of more than 100 remarkable women who over the past twenty-five centuries flouted cultural conventions. Raising the eyebrows of their ancient, medieval, seventeenth-century, Victorian, or American contemporaries, these women defied the expectations of their times and independently molded their own dynamic, often highly idiosyncratic lives. With illustrations and colorful, historically documented, and long-ignored or half-forgotten stories of women pirates, bone-setters, gold prospectors, secret agents, soldiers-in-disguise, and human cannonballs—not to mention that mistress of reinvention Lola Montez or Victoria Woodhull, the stockbroker who ran for president of the United States, or the outlaw Belle Starr, or America's first self-made woman millionaire, Sarah Breedlove Walker—this book applauds their accomplishments, their daring, their defiance, their responses to necessity, their names.

Carolyn Alcantara:

On this era which is the greater person or who has ability to do something more are more precious than other. Do you want to become certainly one of it? It is just simple way to have that. What you need to do is just spending your time not very much but quite enough to have a look at some books. Among the books in the top list in your reading list is Women Out of Bounds. This book that is certainly qualified as The Hungry Hills can get you closer in getting precious person. By looking up and review this publication you can get many advantages.

William Marsh:

As a university student exactly feel bored to help reading. If their teacher inquired them to go to the library as well as to make summary for some book, they are complained. Just very little students that has reading's heart and soul or real their hobby. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that looking at is not important, boring as well as can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Women Out of Bounds can make you sense more interested to read.
