Ciril Rozman Borstnar

Compendio de Medicina Interna (Spanish Edition) Ciril Rozman Borstnar

*Quinta edición del 'Compendio de Medicina Interna' del Profesor Rozman, que sirve de complemento de la 17.^a edición del 'Tratado de Medicina Interna Ferreras-Rozman', publicado en julio de 2012. *El Compendio supone una revisión concisa, pero integral, de toda la patología médica: breve introducción al tema, etiología, fisiopatología, diagnóstico, tratamiento y pronóstico, con la ventaja que le confiere estar escrito por un único autor, con un criterio unicista y coherente. •La obra no está exenta de originalidad: ésta estriba en los criterios que han presidido la selección de las materias y en los innumerables conceptos que se han matizado, modificado y actualizado con una visión integradora y unipersonal. •El Compendio constituye una ayuda para los médicos generalistas y para aquellos especialistas en Medicina Interna y Medicina de Familia que siguen conservando la actitud profesional de una medicina integral. Asimismo, los profesionales de Enfermería y estudiantes de Medicina, especialmente los de Patología Médica, podrán encontrar en este volumen una ayuda inestimable sobre todo en los momentos en que intenten fijar con mayor seguridad los conocimientos básicos entre los que han adquirido en los textos más amplios.
