For my cruise ship experience, I worked about 12 years on cruise ships around the world and 2 years working in shore side offices in Florida. I worked with 4 different cruise lines and worked as a scuba instructor/dive manager, shore excursion manager and then in the shore side offices as an IT geek, and finally a few years as an IT officer (yeah, I know, scuba instructor to computer geek, what can I say, it has been an interesting journey). Stories in this book include ones about: Getting a job on cruise ships Life on board ships On board romance Hurricanes Running aground Adrift at sea Kick backs Falling overboard Living on a tropical island Crazy things the crew and passengers do and much much more..... I also have photos about my life at sea that can be seen at: www.cruiseshipstories.com Looking at these photos will bring my sea faring stories even more to life.
