The Sorcerer's Apprentice and España in Full Score (Dover Music Scores) Paul Dukas, Emmanuel Chabrier, Music Scores

Among the most popular works in the orchestral repertoire, Dukas's *The Sorcerer's Apprentice* and Chabrier's celebrated rhapsody *España* have delighted generations of concertgoers.

The Sorcerer's Apprentice (1897), an orchestral scherzo, is a symphonic comment on a mordant ballad by Goethe. One of the most memorable pieces in the concert literature — and Dukas's sole claim to fame — the work is filled with relentless drive and musical magic, perfectly capturing Goethe's tale of a bumbling would-be sorcerer. *España*, a rhapsody inspired by Chabrier's visit to Andalusia, met with extraordinary success at its 1883 premiere. Its harmonic and rhythmic coloring, accented by profuse vitality and spirit, make it a masterpiece of lively spontaneity.

Musicians and music lovers will welcome this convenient one-volume compilation — the only one of its kind — enabling them to study the structure, texture, and remarkable orchestration of these 19th-century classics, reproduced here from authoritative French editions.
