Florence Nightingale At First Hand: Vision, Power, Legacy Lynn McDonald

Florence Nightingale is one of the most famous figures in modern history. Yet much of what we know of her emanates from unreliable second-hand accounts, and from a misreading of the primary sources.

Florence Nightingale at First Hand by Lynn McDonald, editor of Nightingale's *Collected Works*, and the world's foremost Nightingale authority, aims to put this right. This is a book which reports what Florence Nightingale said and did, based on her writing, of which a massive amount survives, scattered in over two hundred archives throughout the world.

Published to commemorate the centenary of Nightingale's death, McDonald's study presents a Florence Nightingale for the twenty-first century, as an author of great style and wit, a systems thinker and pioneering public health reformer - the heroine and nurse were only the start.

The Florence Nightingale At First Hand: Vision, Power, Legacy will give you a new experience in reading through a book.

Ethel Springer:

As a student exactly feel bored for you to reading. If their teacher expected them to go to the library or even make summary for some publication, they are complained. Just small students that has reading's heart and soul or real their passion. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that examining is not important, boring as well as can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Florence Nightingale At First Hand: Vision, Power, Legacy can make you really feel more interested to read.
