From Book 1:

Andy Whiffler is your average eleven-year-old boy . . . except that his nose is so big he can use it to fly and his sense of smell is a hundred thousand times stronger than any human.

In the first book of this hilarious new series, Andy moves to a new school and is instantly picked on because of the size of his nose. But when his classmates discover how powerful his nose is, they decide he is more of a comic book hero than a nerd. One day Andy's school is shut down due to toxic gases. Andy discovers that it's all a secret plot for an evil corporation called the ECU (Environmental Clean Up) to take over the world. Andy and his friends decide that this is a job for Super Schnoz, Andy's alter-ego. The rag-tag group of kids team up to take on the ECU and ensure school gets back in session (otherwise summer vacation will be ruined!).
