Bressio

Richard Ben Sapir

Bressio Richard Ben Sapir

A plus-size New York City private investigator dives up to his chins into a sticky mess of drugs, murder, government paranoia, and cheese Danish

Tipping the scales at 240 pounds, Alphonse Joseph Bressio is a big man in New York's legal investigation biz, though he'd rather be doing almost *anything* else. If he had heeded his ample gut's feeling and refused a powerful lawyer's request to help out the paranoid ex-girlfriend of middle-age, drug-dealing loser L. Marvin Fleish, Bressio could have spared himself a headache bigger than his appetite and gambling problem combined. But his soft heart got the best of him. Now the portly PI is running afoul of local mobsters, overzealous federal narcs, and blue-blooded ex-government functionaries by looking too closely into strange doings at a downtown loft that the cops aren't talking about, despite the unusual number of corpses that seem to be connected to it. Bressio is starting to think it would have been less hazardous to his health and sanity if he had followed in his father's footsteps and become a Mafia enforcer. At least it would have made his mother happy.

From Richard Ben Sapir, cocreator of *The Destroyer* series, comes a wild and woolly, tongue-in-cheek take on the hardboiled detective novel. Sapir's *Bressio* is a nonstop delight, frenetic and funny with a truly outrageous cast of anti-heroes, detestable villains, hard-luck bystanders, and arguably the most endearingly unforgettable protagonist ever to grace the pages of noir crime fiction.

From reader reviews:

Todd Grossi:

Do you have favorite book? If you have, what is your favorite's book? Reserve is very important thing for us to be aware of everything in the world. Each guide has different aim as well as goal; it means that publication has different type. Some people truly feel enjoy to spend their time for you to read a book. These are reading whatever they have because their hobby is reading a book. Consider the person who don't like studying a book? Sometime, person feel need book when they found difficult problem or maybe exercise. Well, probably you should have this Bressio.

Brenda Carey:

Information is provisions for individuals to get better life, information these days can get by anyone from everywhere. The information can be a expertise or any news even a problem. What people must be consider while those information which is in the former life are hard to be find than now could be taking seriously which one works to believe or which one the actual resource are convinced. If you receive the unstable resource then you understand it as your main information there will be huge disadvantage for you. All of those possibilities will not happen throughout you if you take Bressio as the daily resource information.

Bridget Chacon:

The particular book Bressio will bring someone to the new experience of reading the book. The author style to elucidate the idea is very unique. In case you try to find new book you just read, this book very suitable to you. The book Bressio is much recommended to you you just read. You can also get the e-book from official web site, so you can quickly to read the book.

Teresa Obannon:

Some individuals said that they feel bored stiff when they reading a guide. They are directly felt the item when they get a half portions of the book. You can choose often the book Bressio to make your own personal reading is interesting. Your skill of reading skill is developing when you like reading. Try to choose basic book to make you enjoy to see it and mingle the opinion about book and looking at especially. It is to be very first opinion for you to like to available a book and study it. Beside that the reserve Bressio can to be your brand-new friend when you're really feel alone and confuse in doing what must you're doing of that time.
