Clase Media, Estado y Sacrificio (Spanish Edition) Azún Candina

Mediante una acuciosa investigación y no poca originalidad, el libro presenta el retrato de una de las organizaciones más importantes de la historia sindical y gremial chilena (la ANEF, Asociación Nacional de Empleados Fiscales) escasamente abordada por los estudios históricos y sociales desde su fundación en 1943 hasta principios de los 80, época en que combatió abiertamente las profundas transformaciones que la Dictadura le imponía al Estado. Si Clotario Blest fue su apóstol y Tucapel Jiménez su mártir -como propone la autora?, la ANEF no solo ha participado en la construcción de la historia reciente de Chile mediante sus acciones, sino también, y quizás fundamentalmente, mediante la elaboración de un discurso moral que pretende ser válido para la sociedad en su conjunto. En este sentido, la noción de sacrificio ilumina -y, por cierto, provoca? la misión que la misma ANEF se ha asignado: conseguir que tanto sus funcionarios como el resto de los trabajadores participen de esa vida "digna y decorosa" que solo la clase media puede ofrecer.
