## **METALLICA Une interprétation philosophique (French Edition) William Irwin**

« Intellectualiser Metallica ? » Mais se sentir trahi par certains albums, se demander “comment ils ont pu ?”, argumenter avec passion autour d’une bière, c’est déjà intellectualiser. Les vingt métalliciens profs de fac de ce livre proposent de faire participer Nietzsche, Kierkegaard, Schopenhauer, Camus, Foucault... Car, en leurs temps, ces philosophes avaient déjà débattu de la plupart des problèmes soulevés par Metallica depuis trente ans : intégrisme religieux, alcoolisme, morts tragiques, départ de Newsted, affaire Napster, besoin de tout contrôler, amour/haine entre musiciens et fans et même « homosocialité groupale ». Avec cette assise, les célèbres paroles d’Hetfield prennent un autre sens et nous amènent, nous francophones, à chanter les morceaux autrement. Le tout dans un langage ni élitiste, ni vulgarisé. Idéal pour Scott Ian d’Anthrax : « C’est la thèse la plus éclairante sur Metallica jamais écrite. Et en plus une lecture qui déchire ! »
