¿Quiénes mandan de verdad en España? (Eldiario.Es Libros) (Spanish Edition) Carlos Elordi

«¿Quiénes mandan de verdad en España?» es la pregunta a la que el reputado periodista Carlos Elordi pretende dar respuesta con claridad meridiana en este libro. Las elecciones celebradas cada cuatro años en España solo dan el pistoletazo de salida para que los poderes fácticos que de verdad rigen los designios del país se posicionen para dirigir el futuro de la nación. La banca, los grandes empresarios, la Iglesia católica, la Casa Real, la Unión Europea etc. influyen en la toma de decisiones y cada uno de ellos ejerce directamente presión sobre la sociedad. Elordi analiza en este libro cómo se articulan internamente esos poderes, cómo ha evolucionado la capacidad de influencia de unos y otros sectores y cuáles la han ganado o la han perdido como consecuencia de la actual crisis económica. Un análisis que se completa con un repaso a la estructura del poder en algunas regiones y un capítulo específico se destina a los medios de comunicación. Un ensayo que arroja luz sobre este imbricado mosaico que es el poder en España.
