The Enquiring Tutor (RLE Edu O): Exploring The Process of Professional Learning (Routledge Library Editions: Education) Stephen Rowland

Stephen Rowland explores the relationship between the tutor (or facilitator) and the professional worker on post-experience professional courses. His emphasis is on the processes of reflection and enquiry in professional learning and is not content specific. Drawing upon his experience as a course tutor and the perspectives of students, he suggests an approach to professional learning which is firmly rooted in the experience and interests of the student.
