To the Manor Drawn Leslie Ann Boshier

Be prepared to laugh out loud at the foibles of humankind as Leslie Ann Boshier exchanges her treasured city life for unremitting open space in this wryly written story of a naturalised Brit who decides to make room for a pair of Wellington boots beside her stilettos.

When American-born London resident Leslie Ann Boshier pictured her future, she thought that a little weekend hideaway in Paris would be on the cards. So she was rather taken aback when her husband, Bill, showed her a brochure on a Stocken Hall. Join Leslie Ann as she takes us on a humour-filled journey to English country living: from the joys and quirks of a small town and the people who reside in it, to the wonderful differences between the British and American approaches to life.
