Will China Democratize? (A Journal of Democracy Book)

Will China Democratize? (A Journal of Democracy Book)

Will China Democratize?, Andrew J. Nathan, Larry Diamond, and Marc F. Plattner present valuable analysis for anyone interested in this significant yet perplexing question.

Since the *Journal of Democracy*'s very first issue in January 1990, which featured articles reflecting on the then-recent Tiananmen Square massacre, the *Journal* has regularly published articles about China and its politics. By bringing together the wide spectrum of views that have appeared in the *Journal*'s pages—from contributors including Fang Lizhi, Perry Link, Michel Oksenberg, Minxin Pei, Henry S. Rowen, and Nobel laureate Liu Xiaobo— *Will China Democratize?* provides a clear view of the complex forces driving change in China's regime and society.

Whether China will democratize—and if so, when and how—has not become any easier to answer today, but it is more crucial for the future of international politics than ever before.]]>
