Transformations: Identity Construction in Contemporary Culture Grant David McCracken

Self reinvention has become a preoccupation of contemporary culture. In the last decade, Hollywood made a 500-million-dollar bet on this idea with movies such as *Multiplicity*, *Fight Club*, *eXistenZ*, and *Catch Me If You Can*. Self reinvention marks the careers of Madonna, Ani DiFranco, Martha Stewart, and Robin Williams. The Nike ads of LeBron James, the experiments of New Age spirituality, the mores of contemporary teen culture, and the obsession with "extreme makeovers" are all examples of our culture's fixation with change. In a time marked by plenitude, transformation is one of the few things these parties have in common.

Although transformation is widely acknowledged as a defining characteristic of our culture, we have almost no studies on what it is or how it works. *Transformations* offers the first comprehensive and systematic view. It is an ethnography of the contemporary world.

From reader reviews:

Howard Depriest:

What do you ponder on book? It is just for students as they are still students or the item for all people in the world, the particular best subject for that? Only you can be answered for that problem above. Every person has various personality and hobby for every single other. Don't to be pressured someone or something that they don't want do that. You must know how great in addition to important the book Transformations: Identity Construction in Contemporary Culture. All type of book can you see on many sources. You can look for the internet methods or other social media.

Karen Plum:

The book Transformations: Identity Construction in Contemporary Culture has a lot of knowledge on it. So when you check out this book you can get a lot of advantage. The book was written by the very famous author. Tom makes some research just before write this book. This book very easy to read you may get the point easily after looking over this book.

Walter Son:

In this period of time globalization it is important to someone to acquire information. The information will make anyone to understand the condition of the world. The health of the world makes the information much easier to share. You can find a lot of recommendations to get information example: internet, newspaper, book, and soon. You can observe that now, a lot of publisher in which print many kinds of book. The book that recommended to you is Transformations: Identity Construction in Contemporary Culture this reserve consist a lot of the information from the condition of this world now. That book was represented how does the world has grown up. The terminology styles that writer use to explain it is easy to understand. The actual writer made some research when he makes this book. That's why this book suited all of you.

Allison Larson:

As a scholar exactly feel bored to help reading. If their teacher asked them to go to the library or make summary for some guide, they are complained. Just small students that has reading's heart or real their interest. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that examining is not important, boring and can't see colorful images on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Transformations: Identity Construction in Contemporary Culture can make you sense more interested to read.
