Wanted Woman (Cascades Concealed) B.J. Daniels

She skidded into town on a bike too powerful for most men, with ten thousand dollars in her saddlebag and a bullet wound in her shoulder. Maggie Randolph was searching for something and running from someone. But she didn't plan on running into a man she could trust.... Timber Falls' deputy sheriff Jesse Tanner had to convince the daredevil beauty that he'd protect her. But first he'd have to catch her--before it was too late.

Jesse was sexy as sin, and chivalrous to boot. But Maggie wasn't exactly playing by the books in her search for the truth about her father's murder and her own adoption. Could she share her secrets with Jesse and find solace in his arms for good?
