Tape

Steven Camden

Tape Steven Camden

TAPE is set to be the outstanding teen debut of 2014. Told with cracking prose, shimmering with humour and devastatingly moving, it will haunt anyone who reads it...

Record a voice and it lasts forever...

In 1993, Ryan records a diary on an old tape. He talks about his mother's death, about his dreams, about his love for a new girl at school who doesn't even know he exists.

In 2013, Ameliah moves in with her grandmother after her parents die. There, she finds a tape in the spare room. A tape with a boy's voice on it – a voice she can't quite hear, but which seems to be speaking to her.

Ryan and Ameliah are connected by more than just a tape.

This is their story.
