Irrepressible Stewart the monster is back, and he has big news: He's going camping in five days! But if he could just change the clocks, build a time machine, or make this book move faster, he could go camping NOW. Of course, Stewart's parents know that good things come to those who wait – and eventually Stewart will learn that, too.

In this hilarious follow-up to *This Monster Needs a Haircut*, Bethany Barton channels her inner preschooler and shows readers that even the most exuberant, enthusiastic, in-the-moment monsters can be persuaded to wait. Eventually.
