Dr. Matt Delano's life is turned upside down by his intense connection to a beautiful amnesiac.

No medical test could ever detect what Dr. Matt Delano experiences while taking the pulse of his beautiful amnesia patient. For a few shocking moments, he feels more deeply connected to Elizabeth Forester than he thought humanly possible. And to his shock, a scorching sexual heat flares between them.

As a professional, the handsome doctor tries to stay away from Elizabeth, but finds it impossible. He'll risk his life to help her regain her memory and discover who's trying to kill her—and why. Only then can he try to solve the more baffling mystery of their powerful bond: What's turned two loners into passionate soul mates?
