Lightning Rods

Helen DeWitt

Lightning Rods Helen DeWitt

The long-awaited second novel by the author of “arguably the most exciting debut novel of the decade: *The Last Samurai*.” (Sam Anderson, *New York*).

“All I want is to be a success. That’s all I ask.” Joe fails to sell a single set of the Encyclopedia Britannica in six months. Then fails to sell a single Electrolux and must eat 126 pieces of homemade pie, served up by his would-be customers who feel sorry for him. Holed up in his trailer, Joe finds an outlet for his frustrations in a series of ingenious sexual fantasies, and at last strikes gold. His brainstorm, Lightning Rods, Inc., will take Joe to the very top — and to the very heart of corporate insanity — with an outrageous solution to the spectre of sexual harassment in the modern office.

An uproarious, hard-boiled modern fable of corporate life, sex, and race in America, Helen DeWitt’s *Lightning Rods* brims with the satiric energy of Nathanael West and the philosophic import of an Aristophanic comedy of ideas. Her wild yarn is second cousin to the spirit of Mel Brooks and the hilarious reality-blurring of *Being John Malkovich*. Dewitt continues to take the novel into new realms of storytelling — as the timeliness of *Lightning Rods* crosses over into timelessness.

From reader reviews:

Michael Campbell:

What do you think of book? It is just for students as they are still students or the item for all people in the world, the particular best subject for that? Only you can be answered for that query above. Every person has several personality and hobby for each other. Don't to be compelled someone or something that they don't wish do that. You must know how great along with important the book Lightning Rods. All type of book can you see on many solutions. You can look for the internet sources or other social media.

Linda Caron:

As people who live in typically the modest era should be change about what going on or data even knowledge to make them keep up with the era that is certainly always change and progress. Some of you maybe may update themselves by reading through books. It is a good choice in your case but the problems coming to anyone is you don't know what type you should start with. This Lightning Rods is our recommendation to help you keep up with the world. Why, because this book serves what you want and need in this era.

Kathleen Knight:

The reason? Because this Lightning Rods is an unordinary book that the inside of the book waiting for you to snap this but latter it will jolt you with the secret this inside. Reading this book beside it was fantastic author who also write the book in such wonderful way makes the content inside of easier to understand, entertaining approach but still convey the meaning fully. So , it is good for you for not hesitating having this any longer or you going to regret it. This phenomenal book will give you a lot of benefits than the other book have got such as help improving your proficiency and your critical thinking means. So , still want to hold up having that book? If I ended up you I will go to the book store hurriedly.

Tina McKinney:

In this time globalization it is important to someone to receive information. The information will make professionals understand the condition of the world. The health of the world makes the information easier to share. You can find a lot of personal references to get information example: internet, classifieds, book, and soon. You can view that now, a lot of publisher in which print many kinds of book. The particular book that recommended for your requirements is Lightning Rods this e-book consist a lot of the information of the condition of this world now. This kind of book was represented how does the world has grown up. The dialect styles that writer value to explain it is easy to understand. The writer made some analysis when he makes this book. That's why this book appropriate all of you.
