## **The Fluoride Deception** Christopher Bryson

With the narrative punch of Jonathan Harr's *A Civil Action* and the commitment to environmental truth-telling of Erin Brockovich, *The Fluoride Deception* documents a powerful connection between big corporations, the U.S. military, and the historic reassurances of fluoride safety provided by the nation's public health establishment. *The Fluoride Deception* reads like a thriller, but one supported by two hundred pages of source notes, years of investigative reporting, scores of scientist interviews, and archival research in places such as the newly opened files of the Manhattan Project and the Atomic Energy Commission. The book is nothing less than an exhumation of one of the great secret narratives of the industrial era: how a grim workplace poison and the most damaging environmental pollutant of the cold war was added to our drinking water and toothpaste.

*From the Hardcover edition.*

### From reader reviews:

#### **Gregory Kim:**

The book The Fluoride Deception can give more knowledge and information about everything you want. Why then must we leave the best thing like a book The Fluoride Deception? A number of you have a different opinion about guide. But one aim that will book can give many info for us. It is absolutely proper. Right now, try to closer together with your book. Knowledge or information that you take for that, you could give for each other; it is possible to share all of these. Book The Fluoride Deception has simple shape but you know: it has great and big function for you. You can appear the enormous world by wide open and read a publication. So it is very wonderful.

#### **Michael Garcia:**

Information is provisions for people to get better life, information presently can get by anyone in everywhere. The information can be a understanding or any news even a huge concern. What people must be consider when those information which is within the former life are challenging to be find than now is taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you obtain the unstable resource then you get it as your main information it will have huge disadvantage for you. All those possibilities will not happen in you if you take The Fluoride Deception as the daily resource information.

#### **Lauren Clarke:**

People live in this new day of lifestyle always try and and must have the free time or they will get large amount of stress from both daily life and work. So , when we ask do people have free time, we will say absolutely sure. People is human not a robot. Then we inquire again, what kind of activity have you got when the spare time coming to you of course your answer can unlimited right. Then do you try this one, reading ebooks. It can be your alternative within spending your spare time, the book you have read will be The Fluoride Deception.

#### **Neil Dussault:**

The Fluoride Deception can be one of your nice books that are good idea. We recommend that straight away because this publication has good vocabulary that could increase your knowledge in words, easy to understand, bit entertaining but still delivering the information. The copy writer giving his/her effort to set every word into enjoyment arrangement in writing The Fluoride Deception but doesn't forget the main position, giving the reader the hottest in addition to based confirm resource information that maybe you can be one of it. This great information may drawn you into brand-new stage of crucial pondering.
